OBJECTIVE

I'm a computer science student excited to dive into real-world projects. I'm looking for an internship where I can apply my programming skills, learn from experienced professionals, and contribute to meaningful work.

EDUCATION

Bachelor of Computer Science & Engineering, Sant Gajanan Maharaj College of Engineering Expected 2026
Relevant Coursework: Data Structures and Algorithms, Operating Systems, Software Engineering, Machine Learning
.

Diploma of Computer Engineering, Sant Gajanan Maharaj Rural Polytechic , Mahagaon   2020 - 2023

SKILLS

Technical Skills:	Programming Languages: C++, Python, Java
	Web Technologies: HTML, CSS, JavaScript, React
Soft Skills:	Communication, Teamwork, Problem-Solving, Time Management

EXPERIENCE

Python intern   Aug 2023 - Aug 2023
Malleable Software   *Gadhinglaj, Maharashtra*

- Gained hands-on experience in Python programming, working on core concepts such as data types, functions, loops, and file handling.
- Developed small automation scripts to improve internal processes

PROJECTS

Online Code Editor Built an online code editor application using Flask, HTML, and CSS. The platform allows users to write, run, and share code snippets in multiple programming languages. Implemented features such as syntax highlighting, error tracking, and real-time code execution. [(Try it here)]

Meme Page Website Developed an engaging meme page website using ReactJS. The platform allows users to view and share. Designed with a user-friendly interface and features like social media sharing and mobile responsiveness to ensure optimal user experience across devices. [(Try it here)]

SUMMARY

- A highly motivated and enthusiastic Computer Science & Engineering student with a strong foundation in programming languages such as Python, C++, and Java. Adept at solving problems, developing efficient solutions, and applying core concepts in real-world projects.

- Eager to learn and grow in the tech industry by contributing to innovative projects and gaining hands-on experience in software development. Seeking a challenging internship to further develop my skills and contribute to a dynamic team.
